ORDER

On February 7, 2019, the Commission issued an order in this docket (February 7 order) in response to a request from Governor Gretchen Whitmer for the Commission to review the state's energy supply and preparedness for emergency situations, following a string of energy events that resulted because of the cold weather emergency that occurred just days prior to the issuance of the order.

In the February 7 order, the Commission directed the Executive Secretary to electronically serve a copy of the order on specified entities and also directed the Commission Staff (Staff) to conduct, in accordance with the Governor's request, a review of the state's supply, engineering, and deliverability of natural gas, electricity, and propane and to assist the Commission in

developing an initial report to be filed in this docket by 5:00 p.m. (Eastern time (ET)) on July 1, 2019, with a final report to follow by 5:00 p.m. (ET) on September 13, 2019.

To further facilitate this directive from the Governor, the Commission also indicated that it would be reaching out to affected industries and other stakeholders to obtain essential information and thus solicited comments from interested persons on a draft outline setting forth the proposed scope for this energy assessment,¹ with comments due no later than 5:00 p.m. (ET) on February 19, 2019. February 7 order, p. 3. The Commission further stated that, following feedback, the final outline that was to be used as the scope for the energy assessment would be filed in this docket by March 5, 2019, and concluded with next steps and whereabouts for interested persons to stay apprised of future developments. *Id.*, p. 4.

Following feedback from numerous interested persons on the draft outline, and conforming with the February 7 order, the Commission filed the final outline in this docket on March 5, 2019, along with an explanatory memorandum containing additional steps moving forward.

Thanks to the tremendous work by the Staff and the collaboration and cooperation by numerous stakeholders, the Commission timely provided its initial report to the Governor, with a copy filed in this docket, on July 1, 2019.
